Michael H. Scheible
Deputy Executive Officer
California Air Resources Board
2020 L Street
P.O. Box 2815
Sacramento, CA 95812

Dear Mr. Scheible:

In response to your request of May 9, 1995, I am pleased to inform you that we are delegating to your agency authority to implement and enforce certain categories of New Source Performance Standards (NSPS) to the San Joaquin Valley Unified Air Pollution Control District (SJVUAPCD). We have reviewed your request for delegation and have found the SJVUAPCD's programs and procedures to be acceptable. Accordingly, EPA is delegating and/or redelegating authority for the following source categories:

This delegation does not include the following:

- (1) NSPS Subparts B, C, Ca, or Cb, which address Emission Guidelines and Compliance Times and thus are not delegated under CAA Sec. 111(c). To the extent that there are sources within the District that would be subject to these Subparts, the District should be developing regulations for submission to EPA as a Plan under 40 C.F.R. Part 60, Subpart B. EPA notes that Subparts Ca and Cb have been deleted from Rule 4001.
- (2) NSPS Subpart XX, which addresses Bulk Gasoline Terminals, is not delegated until EPA and the California Air Resources Board resolve some issues regarding the testing of tanks. EPA notes that Subpart XX has been deleted from Rule 4001.

Acceptance of this delegation constitutes your agreement to follow all applicable provisions of 40 CFR Part 60, including but not limited to use of EPA's test methods and continuous emission monitoring procedures. As of the effective date of this delegation, SJVUAPCD will have primary authority to enforce the above standards. EPA will retain independent enforcement authority, and will exercise such authority in a manner consistent with EPA's "Timely and Appropriate Enforcement Response to Significant Air Pollution Violators" Guidance, and any revisions thereto, and our enforcement agreement. All

notifications and reports required of sources by the above standards should be sent to you, with a copy to our office. The delegation is effective upon the date of this letter unless the U.S. EPA receives written notice from you or the District of any objections within 10 days of receipt of this letter. A notice of this delegated authority will be published in the <u>Federal Register</u> in the near future.

Yours,

15
